Fourth Anniversary promotion a 'win' for Beau Holland

Atlanta – Beau Holland recently won \$250 when Private Bank of Buckhead held the fourth and final of four monthly drawings in its Fourth Anniversary Promotion. Beau, who was selected at random, is the proprietor of Beau Holland Studio (www.BeauHollandStudio.com), purveyor of decorative antiques and aged reproductions.

In the promotion, which ran from January through April, the bank's customers simply had to make a deposit remotely during each of those months, and a winner was drawn at random each month.

The bank, which officially opened December 11, 2006, decided to focus its Fourth Anniversary Promotion on Remote Deposit and Online Check Deposit services, two of its popular products. Remote Deposit allows businesses to make deposits into their PBB accounts from easy-to-use bank-provided scanners. Online Check Deposit provides the same capability for individuals and small businesses that can use their own desktop scanners to make PBB account deposits.

“These remote deposit processes utilize an electronic image of your checks in order to give you a bank-from-your-desk option,” says Brian McGuire, vice president of Treasury Management Services, “so we played with that idea a bit and came up with ‘a picture is worth a thousand dollars.’ This is a great way to introduce even more people to this free technological convenience...and to say thank you four times to help celebrate four great years in business.”
