

PRIVATE BANK

of Buckhead

Some banks give you a toaster.

Private Bank of Buckhead continues to welcome those looking for a new banking relationship, personally, for business – or both.

New clients tell us that we make switching banks easy and effortless. You see, instead of a Switch Kit, we offer *Service*: A member of our seasoned team does the legwork for you. It's a seamless process that highlights our promise to bring a *private banking approach to all clients across all functions of the bank.*

We will:

- Open Private Bank of Buckhead accounts that suit your individual needs.
- Order new set of checks free of charge.
- Move any automatic incoming and outgoing payments to your new account(s).
- Provide guidance on how and when to stop using old accounts.
- Assist with closing your old account(s) at other institutions.

So, let us make the switch for you and begin providing the flexible and tailored financial services you deserve.
